Dear James,

On behalf of the Pittsburgh Steelers Organization and the Athletic Training Staff, I want to thank you for your contributions during our preseason training camp at Saint Vincent College.

We have received numerous favorable comments from our players and staff regarding the quality of service provided by the students from the Pittsburgh School of Massage Therapy. The feedback we have received both during and after training camp has indicated that your involvement allowed us to help our athletes perform at their best.

Once again, thank you for your service and support. We personally appreciate your contribution.

Sincerely,
